Governor Bullock Congratulates Senator Baucus on Confirmation

(Helena)—Governor Steve Bullock released the following statement congratulating Senator Max Baucus on his confirmation as the next U.S. Ambassador to China, and thanked him for his service to Montana:

"I join all Montanans as we say congratulations and thank you to Max for his service to our state and nation. Max has dedicated his life to serving the people of Montana. From his role establishing the CHIP program and unyielding dedication to protecting Montana's mountains and prairies to his efforts to stop the privatization of Social Security, for the past forty years, Max has been at the forefront of the most important debates impacting Montana and our nation. I look forward to continuing to work with Max in his new role and am confident that his leadership in China will pay dividends for all Americans for years to come."
