Bullock Seeks Montana's "Best and Brightest" for Administration Jobs

HELENA – Governor-elect Steve Bullock and Lieutenant Governor-elect John Walsh are calling on Montanans from across the state to apply for jobs in their administration, which begins January 6, 2013.

"Montana has some of the smartest, hardest-working folks in the country, and we want them on our team," said Bullock. "I'm looking to build on the progress our state is making with the best and brightest Montana has to offer."

The transition team is seeking applicants to fill positions in the administration, as well as seats on advisory boards, councils and commissions. All Montanans are welcome to apply.

Applicants are invited to submit resumes and cover letters to govelect@mt.gov.
